4. GRADING.

Attendance

In-class material and discussions are crucial to this course, so I expect you to attend every class. However, because our lives are unpredictable, you have five “free passes” for unexcused absences (no need to notify me in advance). I will excuse absences only for very good cause. Your sixth unexcused absence may trigger a significant penalty to your final course grade. At my option, I may drop you from the course or give you an F upon a seventh unexcused absence.

Final Exam

Except for any adjustments due to unexcused absences, the final exam will constitute 100% of the course grade. The final exam will be a take-home exam, probably consisting of 2-3 essay questions and each with a maximum word count. Barring unforeseen problems with this schedule, the exam will be available April 30 at 9 am and due May 1 at 4 pm.

I strongly encourage you to review my past exams to understand my exam style. You can find past exams and sample answers at [my website](#) (note the law may have changed in the interim).

5. RECORDING. I intend to record most course sessions and post them online. If you have any concerns about your in-class comments being recorded, please let me know.

6. OFFICE HOURS. I can schedule a time to speak with you at your convenience. Please email me to make an appointment. I'm also happy to talk by email or phone.
