1. **SESSIONS.** The course meets 10:30-11:45 am every Tuesday and Thursday from August 23 to December 1, except October 4 (Rosh Hashana), October 13 (Yom Kippur) and November 24 (Thanksgiving).

2. **PREREQUISITES.** The first year law school curriculum is a prerequisite. However, you do not need the IP survey course or a technical background.

3. **GRADING.** The final exam will be 100% of the course grade. I strongly encourage you to review prior exams to understand my exam style. You can find prior exams and sample answers at my website (note that the law may have changed in the interim).

While the exam style should be similar to the past years’ styles, mechanically I may administer this exam in one of the following 3 ways: (1) as an in-class exam scheduled for December 6 at 8:30 am; (2) as a take-home exam with a few hours to complete your answer, which would be scheduled for December 6 at 8:30 am; or (3) as a take-home exam with several days to complete your answer. I will announce the format later in the semester.

4. **READER.** The course reader is the only required reading (except for any materials I distribute during the semester).

5. **TWEN.** I have built a course page in TWEN which I use, among other things, to send you emails related to the course. YOU MUST REGISTER FOR THE TWEN COURSE NO LATER THAN AUGUST 26 AT 5:00 PM OR I MAY DROP YOU FROM THE COURSE.

6. **OFFICE HOURS.** I can schedule a time to speak with you at your convenience. Please email me to make an appointment. I’m also happy to talk by email.

7. **SCHEDULE AND READINGS.**

**Introduction: What is Cyberspace? Who Regulates It?**

- **ACLU v. Reno** (CDA I District Ct. Facts Only) .......................................................... Page 4
- **Noah v. AOL** (E.D. Va.) .......................................................... 21

Optional: if you’re feeling uncomfortable with your technical knowledge, consider the [Animated Internet](https://example.com) website (an animated depiction of various Internet operations).
